

Dear colleague:

I reach to you to invite you to the launching of our new association, Foro de Familia y Sucesiones Internacional. Our association comes into being with the aim of reuniting renowned professionals who have a wealth of experience in the field of international family law. The constant evolution of international private law through new international treaties and European regulations makes in our view imperative the formation of this forum that can be used as a platform for debate and information exchange amongst professionals and facilitating an accessible directory of lawyers willing to offer an outstanding service in this area throughout the Spanish territory.

Interacting with other international associations, such as the International Academy of Family Lawyers, the International Bar Association, the International Association of Young Lawyers, etc., is one of our top priorities, in order to facilitate to our membership access to specialised courses and seminars abroad, and to promote similar events in Spain.

The launch of the association will take place at the Conference Hall of the Madrid Bar Association on 5 April 2019 between 9 am and 2 pm, and eager to count on your valuable involvement, I enclose below the event programme.

Please confirm your assistance by sending us an email with your personal details (first and last name, legal firm, email and telephone number) to [info@fdfsi.com](mailto:info@fdfsi.com).
